

'SOLO' COVERT VEST

INTRODUCTION: The Global Armour SOLO covert vest is an undercover low profile vest which can be used covertly or overtly when required. The vest will accommodate internal soft armour plus can be upgraded for higher protection using hard armour plates which can be added via side opening pockets on the front and back of the vest.

FEATURES:

- Two Piece covert vest with adjustable Velcro type shoulder and side section.
- Constructed using a hard wearing outer fabric with a breathable mesh inner material to allow heat to escape and air to flow into the vest during operation.
- Shirt tails which can be tucked in trouser band to help prevent riding up. The shirt tails are optional and can be removed on request.
- Internal section to hold Soft Armour panels with front and back Hard Armour plate pockets.
- Can be supplied in White, Black, Navy or Tan colours to meet various skin tones.
